Dear Friends of Jackson Jaguars:

The Andrew Jackson Elementary School Parent-Teacher Organization (Jackson PTO) is excited for the 2024-2025 school year, and we invite you to help make it a memorable one for our Jackson families!

The mission of the Jackson PTO is to enrich and support the educational experience of each student by encouraging a partnership between parents, teachers, administration, and the community. We strongly believe that in doing so, we are empowering the next generation of community leaders, and we look to valued local business leaders, such as yourself, to help support this effort.

90% of our student population is categorized as economically disadvantaged (whereas 73% district), a factor that has been proven to inhibit student learning. Statistics aside, the Jackson PTO is committed to providing our students with opportunities to thrive; therefore the generous support received from our local business community and our Jackson Elementary families is essential to the success of Andrew Jackson Elementary.

Enclosed you will find the 2024-2025 Jackson Elementary Sponsorship Form and sponsorship levels. In demonstration of our gratitude, Jackson PTO would like to offer you various advertising opportunities to promote your business. Your generous donation will directly benefit our students in a multitude of ways. Please consider a tax-deductible donation to the Andrew Jackson Elementary PTO to make this the best school year ever!

Thank you for partnering with our school to achieve the highest standards for our students.

Sincerely,

Andrew Jackson Elementary PTO

#### **MISSION STATEMENT**

*"To enrich and support our children's educational experience by encouraging constructive communication and involvement of our parents, teachers, administration and community. Our PTO is dedicated to fostering a close home and school connection by organizing, sponsoring, and fundraising to provide Andrew Jackson Elementary with complimenting school educational enrichments, social, developmental experiences and social events with the goal to build the kind of community in which both students and faculty thrive."*
